### Correction to: International Orthopaedics

<https://doi.org/10.1007/s00264-020-04739-y>

The published online version contains mistake, as the Fig. 1 legend should read “Kaplan-Meier survival curve for 30-day survival for 2020 cohort COVID-19 positive vs COVID-19 negative” whilst the Fig. 2 legend should read “Kaplan-Meier survival curve for 30-day survival 2020 COVID-19 negative group vs 2019 cohort”.

The original article has been corrected.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
