Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-18446-0>, published online 15 September 2020.

The original version of this Article contained an error in the Competing interest statement. It was incorrectly stated that D.S.V. sits on the board of Life Biosciences and Iduna. The correct declaration is D.A.S sits on the board of both companies. This has now been corrected in both the PDF and HTML versions of the Article.
