

CORRIGENDUM

Corrigendum

In the article by Wang et al. (2020) There is an error in the second paragraph of the Introduction section. The correction is given below (in bold).

The white kidney beans are one species of *Phaseolus vulgaris* L., also known as common beans, is originated **from Mexico and Argentina**. Around 23 million tons were produced in the world in 2012, and the largest consuming region is South America (Heredia-Rodríguez, de la Garza-Juárez, Vazquez-Rodriguez, 2017).

REFERENCE

Wang, S., Chen, L., Yang, H., Gu, J., Wang, J., & Ren, F. (2020). Regular intake of white kidney beans extract (*Phaseolus vulgaris* L.) induces weight loss compared to placebo in obese human subjects. *Food Sciences and Nutrition*, 8, 1315–1324.
