Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-10756-2>, published online 02 July 2019.

In the original version of this article, the raw human sequencing data was available at the RADIC Resource Sharing Hub through a data use agreement. This data can now be accessed at the Synapse AMP-AD Knowledge Portal [<https://www.synapse.org/#!Synapse:syn22213200>]. This has now been corrected in the PDF and HTML versions of the paper. Additionally, Yiming Yang was incorrectly associated with 'Department of Biological Sciences, Columbia University, New York, NY, 10027, USA' and Naomi Habib was incorrectly associated with 'Center for Immunology and Inflammatory Diseases, Division of Rheumatology, Allergy, and Immunology, Massachusetts General Hospital and Harvard Medical School, Boston, MA, 02129, USA' in the HTML version of the paper. The PDF was correct at the time of publication. This has now been corrected in the HTML version of the paper.
