

Retraction: NEAT1 regulates Th2 cell development by targeting STAT6 for degradation

We, the Editor[s] and Publisher of *Cell Cycle*, have retracted the following article:

NEAT1 regulates Th2 cell development by targeting STAT6 for degradation
Shuman Huang, Dong Dong, Yaqian Zhang, Zhuo Chen, Jing Geng & Yulin Zhao
Pages 312 - 319 | <https://doi.org/10.1080/15384101.2018.1562285>

The above article has been retracted as a result of concerns regarding errors in the data by request of the authors.

We note that we received, peer-reviewed, accepted, and published the article in good faith based on the purported veracity of these representations and warranties. We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines on retractions.

The retracted article will remain online to maintain the scholarly record, but it will be digitally water-marked on each page as “Retracted”.
