Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-18279-x>, published online 7 September 2020.

The original version of this Article contained errors in Fig. 1. The label ‘a’ was omitted for the left panel and the label ‘b’ was omitted for the right panel. In Fig. 1b, the right parenthesis was incorrectly positioned indicating a 4-carbon linker, rather than the correct 6-carbon linker. These errors have been corrected in both the PDF and HTML versions of the Article.
