

Corrigendum

Corrigendum to: Intestinal and entheses innate immunity in early axial spondyloarthritis**Kassem Sharif^{1,2}, Charlie Bridgwood¹, Sayam Dubash  ^{1,3} and Dennis McGonagle^{1,3}**Rheumatology 2020;59:iv67–iv78
doi:10.1093/rheumatology/keaa408

In the above article, the edited figure 1 shows the correct distribution of pattern recognition receptors, it also depicts endomysial TLR.

This has been updated in both print and online.
