Erratum regarding missing Declaration of Competing Interest statements in previously published articles

The **Declaration of Competing Interest** statements were not included in the published version of articles that appeared in the volume 13 of Journal of Otology. For the below articles, the authors declare that they have no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.

The characterization of auditory brainstem response (ABR) waveforms: A study in tree shrews (*Tupaia belangeri*) (Volume 13, September 2018, 85–91).

Cisplatin-induced vestibular hair cell lesion-less damage at high doses (Volume 13, December 2018, 115–121).

Video head impulse test (vHIT) in migraine dizziness (Volume 13, June 2018, 65–67).

Autonomic responses to blast overpressure can be elicited by exclusively exposing the ear in rats (Volume 13, June 2018, 44–53).
