

RETRACTION

IncRNA LSINCT5 Regulates miR-20a-5p/XIAP to Inhibit the Growth and Metastasis of Osteosarcoma Cells [Retraction]

Liao SA, Guan J, Mo H, He JL, Zhan XL. *Onco Targets Ther.* 2020;13:8209—8221.

and the Editor has determined the findings of the paper are unreliable and requested for the article to be retracted.

The Editor and Publisher of *OncoTargets and Therapy* wish to retract the published paper.

Our decision-making was informed by our policy on publishing ethics and integrity and the COPE guidelines on retraction.

The journal was notified of potential image manipulation in Figure 6D Panel U20S si-XIAP. The authors were unable to provide the necessary raw data for the study

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.

OncoTargets and Therapy

Dovepress

Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic

agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
