

Correction

Article title: Guanine Nucleotide Exchange Factors Activate Rab8a for Toll-like Receptor Signalling

Authors: Samuel J. Tong, Adam A. Wall, Yu Hung, Lin Luo, and Jennifer L. Stow

Journal: SMALL GTPASES

DOI: <http://doi.org/10.1080/21541248.2019.1587278>

When the article was first published online, the incorrect gel bands representing p-ERK and GAPDH were displayed in Figure 4d. The correct gel has now been inserted and the corrected version is republished here.
