Wojtys EM. We are guilty. *Sports Health*. 2020;12(3):219-220. Original DOI: 10.1177/1941738120916149

In the above-referenced editorial that was printed in the May/June 2020 issue of *Sports Health*, the phrase “Chinese invader” in the first sentence has been removed. The online version has been updated to “While most of 2020 has been focused on the coronavirus, a deadlier epidemic has been killing Americans over the past decade.”
