Correction to: *Nature Microbiology* <https://doi.org/10.1038/s41564-020-00841-4>, published online 18 December 2020.

In the version of this Article originally published, the 'Author contributions' section incorrectly stated that Luis D. Giavedoni oversaw marmoset experiments and Ricardo Carrion Jr oversaw baboon experiments. Baboon experiments were overseen by Luis D. Giavedoni and marmoset experiments were overseen by Ricardo Carrion Jr. This error has now been corrected.
