Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-19601-3>, published online 16 November 2020.

The original version of this Article contained an error in the caption of Figure 3, which incorrectly read ‘a Spatiotemporal demonstration.’ The correct version states ‘Spatiospectral’ in place of ‘Spatiotemporal’. This has been corrected in both the PDF and HTML versions of the Article.
