The authors wish to make the following change to their paper [1]. The Funding section is incorrect in the published paper. The correct Funding should be as follows:

This research was supported by a grant from the Basic Science Research Program through the National Research Foundation of Korea funded by the Ministry of Education (NRF-2018R1D1A1B07047610) and was carried out with the support of the “Cooperative Research Program for Agriculture Science and Technology Development (Project No. PJ01184702)” Rural Development Administration, Republic of Korea.

We apologize for any inconvenience caused to the readers by this mistake.
