

**Corrigendum to: “Commentary: Sarcopenia as a Prognostic Factor for 90-Day and Overall Mortality in Patients Undergoing Spine Surgery for Metastatic Tumors: A Multi-Center Retrospective Cohort Study” by Benton et al. *Neurosurgery*, nyaa263, <https://doi.org/10.1093/neuros/nyaa263>**

The second author’s name was published incorrectly. “De la Garza Ramos Rafael” has been corrected to “Rafael De la Garza Ramos.”

DOI: 10.1093/neuros/nyaa422

**Corrigendum to: “In Memoriam: A Memoir for Our Fallen ‘Heroes’” by Chaurasia et al. *Neurosurgery*, nyaa314, <https://doi.org/10.1093/neuros/nyaa314>**

A duplicate entry for Ronald Brisman has been removed from the Table.

DOI: 10.1093/neuros/nyaa423

**Corrigendum to: “An Effective and Practical Fluid Restriction Protocol to Decrease the Risk of Hyponatremia and Readmissions After Transsphenoidal Surgery” by Winograd et al. *Neurosurgery*, nyz555, <https://doi.org/10.1093/neuros/nyz555>**

Figure 2 has been replaced to correct “Rate of hyponatremia: 7/57 (12.3%)” to “Rate of hyponatremia: 0/57 (0%)” in the bottom right rectangle.
