

Erratum Regarding “Patient-Related Barriers to Timely Dialysis Access Preparation: A Qualitative Study of the Perspectives of Patients, Family Members, and Health Care Providers” (*Kidney Med.* 2020;2[1]:29-41)

In the Original Research article entitled, “Patient-Related Barriers to Timely Dialysis Access Preparation: A Qualitative Study of the Perspectives of Patients, Family Members, and Health Care Providers” that appeared in the January/February 2020 issue of *Kidney Medicine* (Griva et al, volume 2, issue 1, pages 29-41), Table 3 and Figure 1 presented “Hope for Alternatives” as a subtheme of the main theme “Evaluating Value Against Costs/Risks of Access Creation”; instead, “Hope for Alternatives” should be identified as a main theme.
