Correction to: Inflammopharmacology
(2020) 28:1153–1161
<https://doi.org/10.1007/s10787-020-00744-0>

Unfortunately, abbreviation of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in the abstract and at the multiple places in the review article is written wrong i.e., SARC-CoV-2. It should be read as SARS-CoV-2. Moreover, COVID-19 should be read as Coronavirus disease 2019.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10787-020-00744-0>.
