The authors regret that an error in Tables 2, 3, and 4 was made. The AUC and AUC/Dose values are labelled as $\mu\text{M}\cdot\text{hr}$ or $\mu\text{M}\cdot\text{hr}/\text{mg}/\text{kg}$, respectively, but the units should be $\text{mM}\cdot\text{hr}$ or $\text{mM}\cdot\text{hr}/\text{mg}/\text{kg}$, respectively.

The authors apologise for any inconvenience caused.
