The Journal Editors and SAGE Publishing hereby issue an expression of concern for the following article:

Qi Ren, Shaojun Zhao, Changjie Ren, Zhen Ma (2018) Astragalus polysaccharide alleviates LPS-induced inflammation injury by regulating miR-127 in H9c2 cardiomyoblasts. *International Journal of Immunopathology and Pharmacology* 31: 1–11. DOI: 10.1177/2058738418759180.

It has been brought to SAGE's attention that this article may have been written (and possibly submitted) by a third-party agency, and that the contents of the article may be partially or wholly fabricated. SAGE is currently conducting a thorough investigation into this to establish the most appropriate way forward.

The Editor and SAGE strive to uphold the very highest standards of publication ethics and are committed to supporting the high standards of integrity of *International Journal of Immunopathology and Pharmacology*. Authors, reviewers, editors and interested readers should consult the ethics section of the SAGE website and the Committee on Publication Ethics (COPE) website for guidelines on publication ethics. *International Journal of Immunopathology and Pharmacology* is a member of the Committee on Publication Ethics (COPE).
