### Retraction note:

*Malays J Med Sci.* 2021;**28(1)**:125. <https://doi.org/10.21315/mjms2021.28.1.18>

The retraction of the manuscript titled above from the *Malaysian Journal of Medical Sciences* has been requested by the administrator of the youthinmind in the UK who is in charge of the SDQ questionnaire because a translation of the Malay Parent-version Questionnaire into the Malay Children-version was done and published without the necessary authorisation via the author of the manuscript, Dr Idayu Badilla Idris and co-authors.
