

An error appeared in the corrected proof publication of this article [Silva MMO, Tauro, LB, Kikuti M, et al. Concomitant Transmission of Dengue, Chikungunya, and Zika Viruses in Brazil: Clinical and Epidemiological Findings From Surveillance for Acute Febrile Illness. *Clin Infect Dis*: 2019; 69:1353–9].

The error is in the Figure 1 flowchart. In the second box from the top, it currently states “701 (73.9%) without evidence of arboviral infection”. The correct statement should be “568 (59.9%) without evidence of arboviral infection”.

The author regrets this error.
