To the Editor:

Thank you for publishing our article titled "Diagnostic model for pancreatic cancer using a multi-biomarker panel" in March issue of volume 100, 2021. In the original publication, we have missed the description for some of the source for the data. We attached a corrigendum along with this letter to request for correction and apologize for any inconvenience caused by our carelessness. We would like to add the following contents at the end of "Overview of study design" paragraph in the METHODS section.

The biospecimens and data used in this study were provided by the Biobank of Seoul National University Hospital, a member of Korea Biobank Network.

Sincerely,

Jin-Young Jang
