

Addendum

When the drugs don't work: the potential of glutamatergic antipsychotics in schizophrenia — ADDENDUM

Evangelos Papanastasiou, James M. Stone and Sukhi Shergill

<https://doi.org/10.1192/bjp.bp.112.110999>, Published online by the Royal College of Psychiatrists, 2nd January 2018

There was an oversight regarding the acknowledgement of funding from the European Research Council, which was a contractual obligation for the funding. Professor Sukhi Shergill was funded by an ERC Consolidator Award.
