Retraction of: *Scientific Reports* <https://doi.org/10.1038/srep42707>, published online 15 February 2017

The Editors have retracted this Article. After publication, concerns were raised that some panels within Figures 6 and 7 contain repeated features.

In addition, it was found that some of the original data related to Figure 6 are missing.

The Editors therefore no longer have confidence in the integrity of the data presented.

Xuanyong Liu and Huiliang Cao agree with the retraction. Bin Li and Xianlong Zhang disagree with the retraction. Yaochao Zhao, Mengqi Cheng, Hui Qin, Tao Cheng and Yan Hu did not respond to the correspondence about the retraction.
