

# Erratum

## Erratum: Xing and Wu, “Unraveling Synaptic GCaMP Signals: Differential Excitability and Clearance Mechanisms Underlying Distinct Ca<sup>2+</sup> Dynamics in Tonic and Phasic Excitatory, and Aminergic Modulatory Motor Terminals in *Drosophila*.”

In the article, “Unraveling Synaptic GCaMP Signals: Differential Excitability and Clearance Mechanisms Underlying Distinct Ca<sup>2+</sup> Dynamics in Tonic and Phasic Excitatory, and Aminergic Modulatory Motor Terminals in *Drosophila*,” by Xiaomin Xing and Chun-Fang Wu, which published online on February 8, 2018, a fly stock genotype appeared incorrectly because of an author error. In the fourth paragraph of the Fly stocks subsection of the Materials and Methods, “y<sup>1</sup> v1; P{TRiP.JF02146}attP2” should be replaced with “y<sup>1</sup> sc<sup>\*</sup> v<sup>1</sup> sev<sup>21</sup>; P{TRiP.HMS02400}attP40.” The online version has been corrected.
