

Errata

DOI: 10.1111/j.1750-3639.2008.00219.x

In [1] the following corrections are required, “Fevre-Montague” should be changed to “Fevre-Montange” on pp312 in the sentence of “The large cooperative study of Fevre-Montague *et al* (11) confirmed their existence, but it was felt by the 2007 WHO working group that the criteria proffered fell short of arriving at a statistically meaningful morphologic breakpoint”.

Reference 11 “Fevre-Montange M, Hasselblatt M, Figarella-Branger D, Chauveinc L, Champier J, Saint-Pierre G *et al* (2006) Prognosis and histopathologic features in papillary tumors of the pineal region: a retrospective multicenter study of 31 cases. *J Neuropath Exp Neur* **65**:1004–1011.”

should be changed to

“Fevre-Montange M, Champier J, Szathmari A, Wierinckx A, Mottolese C, Guyotat J *et al* (2006) Microarray analysis reveals differential gene expression patterns in tumors of the pineal region. *J Neuropathol Exp Neurol* **65**:675–684”.

The current copyright line “© 2008 Mayo Foundation; Journal Compilation © 2008 International Society of Neuropathology”

should be changed to

“© 2008 The Authors; Journal Compilation © 2008 International Society of Neuropathology.”
