

## Phytotherapeutic options for the treatment of COVID-19: A concise viewpoint

Retraction: Din, M., Ali, F., Waris, A., Zia, F., & Ali, M. Phytotherapeutic options for the treatment of COVID-19: A concise viewpoint. *Phytotherapy Research*; 2020, Volume 34, Issue 7, pages 1469-1470. <https://doi.org/10.1002/ptr.6786>. The above Letter, published online on 20 August 2020 in Wiley Online Library (<https://onlinelibrary.wiley.com>), has been retracted by agreement between the authors, the journal Editor in Chief Prof. Angelo A. Izzo, and John Wiley & Sons Ltd. The retraction has been agreed due to unattributed overlap between this Letter and the following Letter published in *Phytotherapy Research*, "Phytotherapeutic compounds against coronaviruses: Possible streams for future research" by Antonelli, M., Donelli, D., Maggini, V., & Firenzuoli, F., Volume 34, Issue 7, pages 1469-1470.
