

CORRIGENDUM

STEM CELLS 2020; 38(2):195-201; doi:10.1002/stem.3116

Corrigendum to: Human iPSC Differentiation to Retinal Organoids in Response to IGF1 and BMP4 Activation is Line- and Method-Dependent

Valeria Chichagova, Gerrit Hilgen, Ali Ghareeb, Maria Georgiou, Madeleine Carter, Evelyne Sernagor, Majlinda Lako, Lyle Armstrong

The authors would like to make the following correction to the Acknowledgments section:

This work was funded by European Research Council (#614620 to M.L.) and RP Fighting Blindness Innovation grant (GR584 and GR595) to M.L.'s and L.A.'s groups. We also thank the National Centre for the Replacement, Refinement and Reduction of Animals in Research (NC3Rs) for funding this work (NC/C016206/1 to L.A.). Article processing charges were paid from the Medical Research Council contribution to the UKRI block grant to Newcastle University.

The authors regret the omissions and apologize for any inconvenience that this mistake may have caused.
