The strain number of *Rhodococcus fascians* in Materials and Methods was incorrectly listed as *Rhodococcus fascians* 6162 (ATCC 35014, Tilford 1936), and should instead be *Rhodococcus fascians* 10002 (ATCC 12974, Tilford 1936). The error does not affect the content or conclusions of the article.

These details have been corrected only in this corrigendum to preserve the published version of record. The authors apologize for the error.
