Since publication, an error has been identified in Figure 6, its legend, and the STAR Methods and Results. We mistakenly labeled the jGCaMP7f virus as either “hsyn-jGCaMP7f” or “hsyn-FLEX-jGcamp7f.” The appropriate name of the virus that was used is “AAV1-CAG-FLEX-jGCaMP7f-WPRE” (Addgene #104496-AAV1). This error does not affect the analysis or the conclusions of the paper. We apologize for this error and any confusion it may have caused.
