Author Correction: Genome insight and description of antibiotic producing *Massilia antibiotica* sp. nov., isolated from oil-contaminated soil

Ram Hari Dahal, Dhiraj Kumar Chaudhary & Jaisoo Kim

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-86232-z>, published online 23 March 2021

The original version of this Article contained an error in the Result and discussions section, under the subheading ‘Description of *Massilia antibiotica* sp. nov.’, where,

“The type strain, TW-1^T (= KACC 21627^T = NBRC 114363^T), was isolated from oil-contaminated experimental soil in Kyonggi University, Republic of Korea.”

now reads:

“The type strain, TW-1^T (= KACC 21627^T = NBRC 114363^T), was isolated from oil-contaminated experimental soil in Kyonggi University, Republic of Korea.”

The original Article has been corrected.
