

Corrigendum to: Association of Biomarker Cutoffs and Endoscopic Outcomes in Crohn's Disease: a Post Hoc Analysis From the CALM Study

In the article titled "Association of Biomarker Cutoffs and Endoscopic Outcomes in Crohn's Disease: a Post Hoc Analysis From the CALM Study", there was an error in the authors' affiliation list. Co-author Silvio Danese's affiliation should read: "IBD Center, Department of Gastroenterology, Humanitas Clinical and Research Center- IRCCS, Rozzano, Department of Biomedical Sciences, Humanitas University, Pieve Emanuele, Milan, Italy" instead of "IBD Center, Department of Gastroenterology, Humanitas Clinical and Research Center, Milan, Italy".

These details have been corrected only in this corrigendum to preserve the published version of record.
