In the original published version of this article, the list of authors and subsequently the author contribution statement were incorrect. The authors Camilo Ortega-Vega, Henrique Alves-de Brito, Diego Quiñones-Murillo, Mayerlenis Jiménez Rojas have now been added to the list of authors. The author Efrain Polo-Cuadrado has now been removed from the author list and is no longer listed as the corresponding author. They have been removed as their contribution does not justify authorship in Heliyon and because of their involvement in a new project with their university which would not allow them to be a part of simultaneous academic work. Efrain Polo-Cuadrado's contribution to the article is now recognized in the acknowledgements and Glenda Terán-Cuadrado is now the corresponding author. The corrected Acknowledgements can be found below:

Dr. Efrain Polo-Cuadrado is gratefully acknowledged for his support during the submission, review, and writing process of the article. Moreover, this work was supported by contributing reagents, materials, and analysis tools/data from Centro de Biotecnología, Universidade Federal do Rio Grande do Sul.

The corrected Author Contribution Statement can be found below:

Glenda Terán-Cuadrado: Conceived and designed the experiments; Performed the experiments; Analyzed and interpreted the data; Contributed reagents, materials, analysis tools, or data; Wrote the paper.

Camilo Ortega-Vega: Conceived and designed the experiments; Performed the experiments; Analyzed and interpreted the data; Contributed reagents, materials, analysis tools, or data.

Henrique Alves-de Brito: Conceived and designed the experiments; Analyzed and interpreted the data; Contributed reagents, materials, analysis tools, or data.

Diego Quiñones-Murillo: Conceived and designed the experiments; Analyzed and interpreted the data.

Mayerlenis Jiménez Rojas: Conceived and designed the experiments; Analyzed and interpreted the data.

The authors apologize for the errors. Both the HTML and PDF versions of the article have been updated to correct the errors.
