The original version of this Article contained an error in the spelling of the author Karim Yaqub Ibrahim which was incorrectly given as K. I. Ibrahim.

As a result, the Author Contributions section now reads:

“N.S.F. assembled the data and drafted the manuscript. F.R., M.C.C.B. and S.C.G.A. assisted in MIC and serotype determination; F.M.T., P.R.B. and K.Y.I. assisted with the draft of manuscript; and E.A. designed, supervised, and assessed the study and drafted the manuscript. All authors have read, contributed, and approved the final manuscript.”

The original Article has been corrected.
