# Author Correction: Spectroscopic evidence for a large spot on the dimming Betelgeuse

Sofya Alexeeva , Gang Zhao , Dong-Yang Gao , Junju Du , Aigen Li , Kai Li  & Shaoming Hu 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-25018-3>, published online 5 August 2021.

The original version of this Article contained an error in the author affiliations.

Affiliation 3 incorrectly read Shandong Key Laboratory of Optical Astronomy and Solar-Terrestrial Environment, School of Space Sciences, Shandong University, Weihai, Shandong, 264209, China. The correct affiliation is Shandong Key Laboratory of Optical Astronomy and Solar-Terrestrial Environment, Institute of Space Sciences, School of Space Science and Physics, Shandong University, Weihai, China.

This has now been corrected in both the PDF and HTML versions of the Article.
