Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-83025-2>, published online 17 February 2021

The original version of this Article contained errors in Figure 3 where the incorrect MRI images were used. The original Figure 3 and accompanying legend appear below.

The original Article has been corrected.

Figure 3. Evaluation of articular cartilage thickness using MRI after one year of PRP treatment in patient with grade 2 and grade 3 OA knee.
