

CORRIGENDUM

The morphology and evolution of chondrichthyan cranial muscles: A digital dissection of the elephantfish *Callorhynchus milii* and the catshark *Scyliorhinus canicula*. *J Anat.* 2021; 238: 1082–1105. <https://doi.org/10.1111/joa.13362>

Richard P. Dearden, Rohan Mansuit, Antoine Cuckovic, Anthony Herrel, Dominique Didier, Paul Tafforeau, Alan Pradel

In Dearden et al. 2021, there is an error in the labeling of Fig. 8. The labels over the “med. proc.” and “lat. foss.” in panel (d) are the wrong way around and should be swapped. The correct figure is reproduced below.

The authors apologize for this mistake.
