Brassinosteroids Regulate Circadian Oscillation
via the BES1/TPL-CCA1/LHY
Module in *Arabidopsis thaliana*

Hong Gil Lee, Jin Hoon Won, Yee-Ram Choi, Kyounghee Lee, and Pil Joon Seo*

(iScience 23, 101528-1–101528-13; September 25, 2020)

Due to a production error at the proofing stage, the originally published article title was missing a space in "*Arabidopsis thaliana*," appearing incorrectly as "*Arabidopsisthaliana*." The error has since been corrected online. Cell Press apologizes for any inconvenience.
