

Correction: COVID-19 Infections and Outcomes in Patients with Multiple Myeloma in New York City: A Cohort Study from Five Academic Centers

Malin Hultcrantz, Joshua Richter, Cara A. Rosenbaum, Dhvani Patel, Eric L. Smith, Neha Korde, Sydney X. Lu, Sham Mailankody, Urvi A. Shah, Alexander M. Lesokhin, Hani Hassoun, Carlyn Tan, Francesco Maura, Andriy Derkach, Benjamin Diamond, Adriana Rossi, Roger Pearse, Deepu Madduri, Ajai Chari, David Kaminetzky, Marc J. Braunstein, Christian Gordillo, Ran Reshef, Ying Taur, Faith E. Davies, Sundar Jagannath, Ruben Niesvizky, Suzanne Lentzsch, Gareth J. Morgan, and Ola Landgren

In the original version of this article (1) as it was published online on July 30, 2020, a reference to the study (2) reporting 23 patients from Mount Sinai included in this cohort has been inadvertently omitted from the Methods. Information on patients per hospitals in this study is now specified in the Supplementary Table S1. The HTML and PDF versions of this article were corrected on the date listed below, ahead of print. The authors regret this error.
