Cooper, N, Kruse, A, Kruse, C, et al. Immune thrombocytopenia (ITP) World Impact Survey (iWISH): Patient and physician perceptions of diagnosis, signs and symptoms, and treatment. *Am J Hematol.* 2021;96:188-198. <https://doi.org/10.1002/ajh.26045>

CORRIGENDUM:

In the original article, there is a small oversight in the article title “Immune thrombocytopenia (ITP) World Impact Survey (iWISH): Patient and physician perceptions of diagnosis, signs and symptoms, and treatment”, where the published title reads IWISH instead of the correct I-WISH. The correct title would be “Immune thrombocytopenia (ITP) World Impact Survey (i-WISH): Patient and physician perceptions of diagnosis, signs and symptoms, and treatment”

The authors apologize for this error.
