

Correction: Screening tools for early identification of children with developmental delay in low- and middle-income countries: a systematic review

Faruk T, King C, Muhit M, *et al.* Screening tools for early identification of children with developmental delay in low- and middle-income countries: a systematic review. *BMJ Open* 2020;10:e038182. doi: 10.1136/bmjopen-2020-038182

This article was previously published with an error.

The paper mentioned that the development of tool LDCDQ took place in Canada, which is incorrect. The instrument was originally developed in Israel.
