Correction to: Prevalence of conduct problems and social risk factors in ethnically diverse inner-city schools

Rachel Blakey^{1,2}, Craig Morgan^{1,2*}, Charlotte Gayer-Anderson^{1,2}, Sam Davis^{1,2}, Stephanie Beards¹, Seeromanie Harding³, Vanessa Pinfold⁴, Kamaldeep Bhui⁵, Gemma Knowles^{1,2†} and Essi Viding^{6†}

Correction to: *BMC Public Health* 21, 849 (2021)

<https://doi.org/10.1186/s12889-021-10834-5>

It was highlighted that in the original article [1] the Acknowledgments section was incomplete. This Correction article shows the correct section. The original article has been updated.

Acknowledgements

We would like to acknowledge all members of our Young Person's advisory group who have contributed throughout the REACH study. We would also like to acknowledge Alexis Karamanos who prepared comparison data from the Millennium Cohort Study. This paper represents independent research in part supported by the ESRC Centre for Society and Mental Health at King's College London (ESRC Reference: ES/S012567/1). The views expressed are those of the author(s) and not necessarily those of the ESRC or King's College London.
