Author Correction: Correlating heatwaves and relative humidity with suicide (fatal intentional self-harm)

Fernando Florido Ngu, Ilan Kelman, Jonathan Chambers & Sonja Ayeb-Karlsson

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-01448-3>, published online 15 November 2021

The original version of this Article contained an error in Table 3 where rows 3 and 5 were incorrect,

“Number of countries showing a significant increase in suicide for each unit increase of heatwave counts”

now reads:

“Number of countries showing a significant increase in suicide for each unit increase of relative humidity”

And,

“Number of countries showing a significant decrease in suicide for each unit increase of heatwave counts”

now reads:

“Number of countries showing a significant decrease in suicide for each unit increase of relative humidity”

The original Article has been corrected.
