

Corrigendum to: Gangrenous Gastritis With Gastric Perforation

Suhali Kundu,¹ Renata Kuperman,² Margaret Kuhn-Basti,² and Yu Shia Lin²

¹Department of Internal Medicine, Maimonides Medical Center, Brooklyn, New York, USA; and ²Department of Infectious Disease, Maimonides Medical Center, Brooklyn, New York, USA

In the original publication of this manuscript [Kundu S, Kuperman R, Kuhn-Basti M, and Shia Lin Y. Gangrenous Gastritis With Gastric Perforation. Clin Infect Dis; 72(12) 2241-2243. <https://doi.org/10.1093/cid/ciaa1918>], there were several errors regarding figure references. In the Case section, “Figure 4” at the end of paragraph 2 should have been “figure 1”, and at

the end of paragraph 3, “figure 1” should have been “figure 2”. At the end of paragraph 1 in the Diagnosis section, “figure 1” should have been “figure 2”, and at the end of paragraph 3 in the Diagnosis section, “figure 2” should have been “figure 4”. This has now been corrected in the version currently available online.
