

Correction

Article title: Identification of emotions and physiological response in individuals with moderate intellectual disability
Authors: Ernesto, A., Martinez-Gonzalez., & Veas, A.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 397–402
DOI: <http://dx.doi.org/10.1080/20473869.2019.1651142>

Article title: Determinants of fine manual dexterity in adolescents and young adults with Down's syndrome
Authors: Chen, C., & Ringenbach, S.
Journal: Forensic Sciences Research
Bibliometrics: Volume 3, Number 4, pages 403–409
DOI: <http://dx.doi.org/10.1080/20473869.2019.1665783>

Article title: 'I feel valued': the experience of social networking site engagement among people with intellectual and developmental disabilities in South Korea
Authors: Kim, K., & Qian, X.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 410–419
DOI: <http://dx.doi.org/10.1080/20473869.2019.1670007>

Article title: Parental perspectives on Inclusive Education for Children with Intellectual Disabilities in Greece
Authors: Tryfon, M., Anastasia, A., & Eleni, R.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 420–428
DOI: <http://dx.doi.org/10.1080/20473869.2019.1675429>

Article title: Virtual reality training improves dynamic balance in children with cerebral palsy
Authors: Pourazar, M., Bagherzadeh, F., & Mirakhori F.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 429–434
DOI: <http://dx.doi.org/10.1080/20473869.2019.1679471>

Article title: Screening for learning disabilities in Oman: confirmatory factor analysis of the Arabic version of the learning disabilities diagnostic inventory
Authors: Mohamed Emam, M., Almehrizi, R., Omara, E., & Mahdi Kazem, A.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 435–445
DOI: <http://dx.doi.org/10.1080/20473869.2019.1683367>

Article title: Parents' perceptions on physical activity for their children with autism spectrum disorders during the novel Coronavirus outbreak
Authors: Esentürk, O.
Journal: International Journal of Developmental Disabilities
Bibliometrics: Volume 67, Number 6, pages 446–457
DOI: <http://dx.doi.org/10.1080/20473869.2020.1769333>

When International Journal of Developmental Disabilities Volume 67 issue 6 was first published online, the papers listed above appeared in the wrong order.

The order has been amended and the page numbering subsequently corrected as follows:

Article	Original page range	Corrected page range
Esent€urk, O. Parental perspectives on Inclusive Education for Children with Intellectual Disabilities in Greece. DOI:10.1080/20473869.2019.1675429	446-457	397-405
Identification of emotions and physiological response in individuals with moderate intellectual disability	397-402	406-411
'I feel valued': the experience of social networking site engagement among people with intellectual and developmental disabilities in South Korea	410-419	412-421
Virtual reality based training improves dynamic balance in children with Cerebral Palsy	429-434	422-427
Screening for Learning Disabilities in Oman: Confirmatory Factor Analysis of the Arabic Version of the Learning Disabilities Diagnostic Inventory	435-445	428-438
Determinants of fine manual dexterity in adolescents and young adults with Down's syndrome	403-409	439-445
Parents' perceptions of physical activity for their children with autism spectrum disorders during the novel Coronavirus outbreak	420-428	446-457
