

The following error appeared in the corrected proof publication of this article [Alhinai Z, Elahi M, Park S, et al. Prediction of Adverse Outcomes in Pediatric Acute Hematogenous Osteomyelitis. Clin Infect Dis <https://doi.org/10.1093/cid/ciaa211>].

The supplementary methods were not posted initially. The error was that the link to Supplementary Methods in the

original article was incorrect. The Supplementary Methods are now provided with the manuscript. The integrity of the findings and the interpretation of the results in the original publication have not been affected.

The publisher regrets this error.
