A Corrigendum on

Generation of Two Paclitaxel-Resistant High-Grade Serous Carcinoma Cell Lines With Increased Expression of P-Glycoprotein

By Nunes M, Silva PMA, Coelho R, Pinto C, Resende A, Bousbaa H, Almeida GM and Ricardo S (2021). *Front. Oncol.* 11:752127. doi:10.3389/fonc.2021.752127

In the original article, we neglected to include the funder. The correct Funding statement appears below. “This work was developed at i3S/IPATIMUP, an Associate Laboratory of the Portuguese Ministry of Science, Technology and Higher Education, and partially supported by Fundação para a Ciência e a Tecnologia (FCT). This research was supported by European Regional Development Funds (ERDF) funds through the COMPETE 2020–Operational Program for Competitiveness and Internationalization (POCI), Portugal 2020, Fundação para a Ciência e a Tecnologia (FCT)/Ministério da Ciência, Tecnologia e Inovação (MCTES),

under the project POCI 01-0145-FEDER-029503 (PTDC/MEC-ONC/29503/2017) and CESPÚ (Cooperativa de Ensino Superior Politécnico e Universitário) under the project ComeTarget_CESPÚ_2017 (to HB). MN acknowledges FCT/MCTES and UE for financial support through a PhD fellowship (2020.04720.BD) co-sponsored by Fundo Social Europeu (FSE) through Programa Operacional Regional Norte (Norte 2020).”

In the published article, there was an error in affiliation 4. Instead of “TOXRUN, Toxicology Research Unit, University Institute of Health Sciences, Advanced Polytechnic and University Cooperative (CESPÚ), Gandra, Portugal” it should be “TOXRUN, Toxicology Research Unit, University Institute of Health Sciences, Polytechnic and University Cooperative (CESPÚ), Gandra, Portugal”.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
