Following publication of the original article [1], the authors flagged that the following statement had been erroneously missed from the Funding declaration: Progetto: Rif. 2018- 0863 “Pension reforms and spatial-temporal patterns in healthy ageing in Lombardy: quasinatural experimental analysis of linked health and pension data in comparative Italian and European perspective” finanziato da Fondazione Cariplo nell’ambito del bando “Ricerca sociale sull’invecchiamento: persone, luoghi e relazioni”.

The funding declaration has now been updated in the article.

The publisher apologizes for this omission and any inconvenience caused.
