# Author Correction: RBL2/ DREAM-mediated repression of the Aurora kinase A/B pathway determines therapy responsiveness and outcome in p53 WT NSCLC

Lei Duan, Ricardo E. Perez, Sarah Calhoun & Carl G. Maki

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-022-05013-4>, published online 20 January 2022

The original version of this Article contained an error.

In the second paragraph of the Introduction,

“Thus, p53 induces expression of p21 that inhibits cyclin-CDK complexes, leading to hypophosphorylation and inactivation of the pocket proteins RB1, p130, and p107.”

now reads:

“Thus, p53 induces expression of p21 that inhibits cyclin-CDK complexes, leading to hypophosphorylation and activation of the pocket proteins RB1, p130, and p107.”

The original Article has been corrected.
