### Affiliation error

---

In a recently published paper entitled, “Comparison of micro-ultrasound and multiparametric magnetic resonance imaging for prostate cancer: A multicenter, prospective analysis,” (Citation: Klotz L, Lughezzani G, Maffei D, et al. *Can Urol Assoc J* 2021;15(1):E11-6. <http://dx.doi.org/10.5489/cuaj.6712>), the affiliations for authors Davide Maffei and Giovanni Lughezzani, as well as for contributing author Marco Paciotti, were incorrectly stated. The correct affiliations for all three authors are: Department of Biomedical Sciences, Humanitas University, and IRCCS Humanitas Research Hospital, Milan, Italy.
